Rice Spice Formula (Zimbabwe Practical Version)

Training Material for Students and Small Business Owners

# Rice Spice Formula (1 kg Batch)

## Ingredients

Salt – 300g  
Curry powder – 150g  
Turmeric powder – 120g  
White pepper – 80g  
Garlic powder – 80g  
Onion powder – 80g  
Paprika – 70g  
Chicken spice – 70g  
Ginger powder – 30g  
Mixed herbs – 20g

## Procedure

1. Ensure all ingredients are dry and finely ground.
2. Sieve powders if necessary.
3. Mix thoroughly for 10–15 minutes until uniform.
4. Test in a small rice batch and adjust to taste.
5. Package in airtight containers or sachets.

## Storage

Store in a cool, dry place away from direct sunlight. Properly sealed product can last 6–12 months.
